Progetto minerario polimetallico di alto valore

Un progetto minerario polimetallico storicamente significativo in Austria è disponibile per l'acquisizione. Questo sito minerario di grandi dimensioni ha una storia di oltre 500 anni di produzione, e un tempo era tra le miniere di rame più produttive della regione. Grazie alle riserve di minerale storicamente accertate, ai preziosi sterili e al significativo potenziale di profondità inesplorato, questo progetto rappresenta un'opportunità di alto profitto per i moderni investitori minerari.
